## Accomplishment Spotlight

We are proud to announce that our Country Director, Kakeeto Hannington, received the Certificate of Social Accountability from Buganda Kingdom in Partnership with Uganda Central Government, on August 22nd. The Certificate of Social Accountability is a certification that demonstrates an organization's commitment to social responsibility and ethical practices, focusing on labor rights, workplace conditions, and community impact. Kakeeto continues to take part in local community and government workshops to increase his knowledge and skills for our organization.

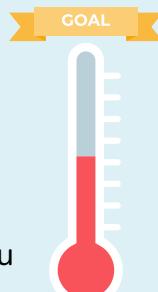

## Student of the Month

### Kalungi Maria

Our Student of the Month is Kalungi Maria! At just 6 years old, she loves singing and striking poses for the camera. She sends her heartfelt love and gratitude to all our donors and volunteers in the USA.

### Benefit Concert!

When Kakeeto and I began raising money for the children 5 years ago, we started with holiday fundraising once a year to give them a nice meal and gift. Today with our vision of expanding to a larger school property in mind, we are making the holiday fundraising effort bigger than ever with our very first **Happy Holiday Benefit Concert!** It will be held Saturday, December 13<sup>th</sup>, at Trinity Hall in San Luis Obispo and include live music, a silent auction, a taco bar, and kids' activities. If you would like to volunteer, sponsor the event, or donate a gift to the silent auction, please reply to this email. Of course, if you live in Central CA, mark your calendars since we'd love to see you there! 😊

Take a breather and focus on a fun word search that is based on gratitude.

Gratitude is one of the highest vibrational states of being; it aligns us with love, abundance, and peace. When we center ourselves in gratitude, our awareness shifts from what's missing to what's present and thriving. This shift raises our energetic frequency, allowing us to attract more harmony and joy into our lives. Living in gratitude opens the heart, grounds the spirit, and keeps us connected to the flow of divine goodness that surrounds us always.

Current Challenge

We are so grateful to have 5 members in our Happy Tummies Club! We call upon our community to fill this club - Please forward this newsletter to raise awareness of our nutritional needs.

**WE NEED 15 MORE MEMBERS** to fill the club, by signing up for a recurring monthly donation of \$15 to cover our current monthly food costs of \$300 for all of the children. \$15 feeds three children all month, all three meals per day. Be a hero! 😊
