Fabulous February

This month brings news worth celebrating: a large grant, a generous donation, and happy children!

February was a month of abundant gifts and blessings! Happy Hüt Sanctüary has received a \$3,348.99 grant from Musack, a 501(c)(3) organization whose mission is to give kids and teens a voice through music by providing instruments and supporting music teachers wherever the need arises. Thanks to this generous support, we have already purchased nine guitars—eight acoustic, one electric, and one electric bass. The children are now broadening their musical journey by learning how to hold the instruments properly and exploring the wide range of sounds they can create. These funds are being used entirely to expand access to music education, and we look forward to sharing ongoing photos, stories, and updates that highlight the growing creativity, confidence, and joy in our classrooms. This marks the second major support we have received from Musack; last year's similar sized grant launched our Happy Piano Program, which continues to thrive today.

A Generous Donation

Our esteemed Headmaster of Education, Juliet Nnambi, has successfully acquired 15 new desks for our school. The previous desks were quite battered and worn-out, making it challenging for students to concentrate. With these new additions, our children will enjoy greater comfort, enabling them to focus more effectively during class. Thank you, Juliet!!
