Magnificent March

Happy Springtime! We're thrilled to embrace the sunshine here in the USA, while Uganda welcomes its rainy season. This March, we are celebrating several birthdays, emphasizing the importance of oral hygiene, and participating in a SLO County meeting to combat human trafficking.

We welcomed spring with big arms and happy faces at Happy Hüt Sanctuary. We focused on our health and manners this month. The teachers had an oral hygiene seminar, where the children were all taught how to correctly brush their teeth. The next week they focused on table manners, and learned how to use proper etiquette.

We have three birthdays this month! We are happy to celebrate these beautiful children.

Our Commitment to Ending Child Trafficking

Happy Hüt Sanctuary protects children from trafficking through a careful and ethical intake process. Our team first conducts a needs assessment to ensure we have the resources and staff to properly care for each child. We then work directly in vulnerable communities to identify children at risk, in partnership with local leaders and authorities. Every child is referred and approved through community officials to ensure transparency and accountability. Once accepted, each child receives a full medical screening and immediate care for any health or trauma-related needs.

Beyond rescue, Happy Hüt focuses on life-long healing and empowerment. Children receive free education, safe housing, and access to structured programs that support their growth. Our programs include music, vocational training, and peer mentorship to build confidence and life skills. We also provide trauma-informed mental health support to help children heal and thrive. Through community outreach, Happy Hüt Sanctüary helps raise awareness and prevents trafficking for future generations.

A Word From Admin

On March 26th, 2026, I, Nixie Davidsohn and President, attended an Anti-Human Trafficking Task Force meeting, held by District Attorney Dan Dow, in San Luis Obispo. Five committees—Education, Law Enforcement, Children and Youth, Labor (Pregnancy), and Legislation—as well as other local nonprofits fighting for and supporting victims of human trafficking, were present. I plan to continue attending these meetings and collaborating with local nonprofits in fighting this serious crime.

Giving Easter

On April 5th, 2026, the children will celebrate Easter. Unfortunately, we do not have additional funds for a party. Therefore, we kindly request that you consider making a small donation this week. This will allow them to enjoy some candy and a special meal. You can contribute through our **Support Page** under the **One Time Gift of Love** option.
